YOUR VACATION DESTINATION IS
CLOSER THAN YOU THINK

Writer **Manya Kaczowski**

Put away your sweaters and haul out the short sleeves — the warm weather is here, and it's time to plan a little getaway. These nearby destinations — from upscale and artsy to down-home and outdoorsy — will get you thinking about summer travel!

GALENA, IL: UP!

Look — up in the air — it's hot air balloons! More than 200 of 'em, racing along the wooded bluffs of the Mississippi at the crack of dawn, during the Great Galena Balloon Race, June 18-20. At night, the balloons glow eerily, while families eat, play games and dance to live music. Plus, there's a car show, balloon rides and even dog agility demonstrations. Other Galena attractions: antiques, horseback riding and art galleries. **STAY:** The Family Time Package at Eagle Ridge Resort & Spa includes a \$25 resort credit, plus pizza, snacks and discounts on activities.
