Tips to Make Your Pet's Stay More Enjoyable

- 🐾 Bring toys to occupy their time.
- 🐾 Turn on the TV or radio in the room as a distraction and to provide comfort and safety.
- 🐾 Remove pet food from bags that are within reach of your pet so that they do not chew or damage your bags while you are not in the room.
- 🐾 Do not put your pet right next to the room door where they can be distracted by hallway traffic and start barking for attention.

The Rules:

- 🐾 Maximum of one pet and less than 50 pounds for our resort villas – Non-refundable Pet Fee \$75 per stay.
- 🐾 Maximum of one pet and less than 25 pounds for our Inn rooms – Non-refundable Pet Fee \$75 per stay.
- 🐾 Pets must be crated when not by your side.
- 🐾 Thank you for bringing dogs only.
