

Cork & Canvas

Choose your design and let your creative side come out as you create your masterpiece.

Sandra Principe, a local Galena artist and author will take you step by step through the creation of your painting. Sandra's paintings are inspired by the beauty of flowers and the Midwest landscape.

All supplies are included in the class, and of course a glass of Eagle Ridge Signature wine! In two hours you will have a complete canvas painting that you will be proud to take home and show your friends and family.
