

GOLF LESSON

The Eagle Ridge Golf Development program has been created to help players score better and enjoy the game more. It is lead by PGA Life Member and multiple Illinois PGA Teacher of the Year nominee, Scott Szybowicz. Scott combines more than 40 years of experience with the latest technology to provide the golfer with the knowledge to become a better player.

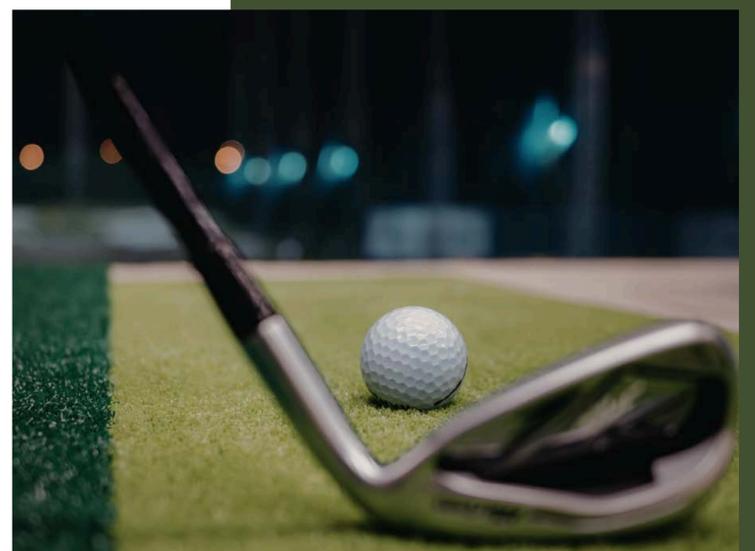

WHAT TO EXPECT

The golf workshops are one hour sessions designed to focus on one portion of the game. During the session the golfer will learn about the fundamental technique and how to start building the skills to become more consistent. Each session will have a maximum of a 6 to 1 ratio. Cost per session is \$45

PERSONALIZE YOUR TRAINING

If you are not able to attend a pre-designed workshop or school, take one on one training (including on-course strategy) or create a personalized school for your group. For those wishing to focus on their game year round, there is training available outdoors and indoors based on the time of the year.

KNOWLEDGE IS POWER AND YOU CAN BECOME A MORE POWERFUL GOLFER.

SCORING SCHOOLS

The scoring schools are a more immersive experience for the golfer.

During these school sessions the golfer will focus on:

- The techniques used by top golfers and coaches to build the foundation.
- Skill development where the golfer will learn how to apply the technique and practice effectively to develop the skills needed to play better.
- How to take the technique and the skills to the course to ultimately play better.

To maximize the learning experience each school will be limited to a 4 to 1 ratio.
