FAMILY GAME SHOW

All questions are family friendly. Scorpio Productions Gameshow is all the excitement, sights, sounds, team building, and audience participation of a real TV gameshow!

As much fun to watch as it is to play. Our mobile gameshow studio is complete with buzzers, microphones, digital scoring, sound effects, etc. just like on TV. Everyone at your event can be on a team, which will each come up with their own team name. Two teams at time are invited by our MC/host to "Come on down!" to the gameshow studio to go head to head. Our host then asks a variety of fun, exciting, (and sometimes humorous) questions in sports, pop culture, movies, etc.
