# ADDITIONAL MEMBERSHIP DETAILS

---

- **Treatments DO Roll-Over**
  - Your monthly treatment benefits are available at the first of each month and are valid for 90-days. This way your treatments don't go to waste while you are on vacation, or if you are busy. You are also allowed to roll your benefit within its expiration period so you can enjoy more than one treatment per month (limit three member treatments per calendar month).
- **Treatment Benefits CAN Be Shared**
  - Members are welcome to transfer, or "gift," a membership treatment up-to two times per membership year (but additional retail and service discounts are limited to the named member only). Combine this perk with banked treatments, and it's a spa day for two!
- **Benefits Do Not Include Gratuity**
  - Membership dues cover the cost of monthly treatments only. Your tips based on full menu pricing are MUCH appreciated by our skilled service providers
- **Membership Terms Are Subject to Change**
  - Stonedrift Spa reserves the right to amend the terms of our membership agreement at any time. We also reserve the right to cancel any membership for any reason and will provide written notice if such changes are made within 30-days. Improper conduct in the Spa are grounds for immediate expulsion and cancelation of membership without refund.
- **Membership Feedback is Welcome**
  - Stonedrift Spa welcomes the feedback of our prospective and new members to create the ultimate guest service experience. Please let us know if you have additional questions, concerns, or suggestions.
